Dear friend,

It gives me great pleasure to introduce to you Dansiki Quarterly. DQ is designed to feature and express African lifestyles and cultural mien. In order to effectively achieve this lofty ideal, we have put together a publication that we at DQ believe is a top notch, qualitative and immensely rich culturally expressive magazine.

This eight-page pilot edition is a testimony of our concept and the standard we are going to pursue in all the future editions. We want to entertain you, reflect your sophistication, and share your ideas and ideals. Go ahead; look at the content, layout, and aesthetic presentation. What do you think? Are you impressed? Call or write us and give us your feedback. In addition, send us your articles, comments, or editorial materials that you think match our standards.

As we embark on this trailblazing and uncompromising literary journey, we invite you to be part of the adventure and to share in our enthusiasm. We invite you to subscribe to the magazine, advertise your business, or buy a subscription as a gift to a loved one, friend or parent.

We welcome your friendship.
